Projects

Sikder Group Of institutions Built a clean, responsive, and informative website for the Sikder Group of Institutions, a premier professional training institute in Kolkata offering courses in nursing, pharmacy, physiotherapy, phlebotomy, and ECG.

Ignition Classes Classes is a Kolkata-based coaching institute website built to showcase academic programs for classes 9–12 and competitive exams. It features course details, fee structures, admission guidance, and a responsive design to enhance student engagement and accessibility.

Event Solution is an event management website designed to highlight services like wedding, corporate, and private event planning. It features service showcases, gallery displays, inquiry forms, and responsive design—providing clients with a seamless, visually engaging experience across devices.

Majumder Pathology is a diagnostic lab website crafted to present comprehensive pathology services, test packages, and health packages. It features clear test descriptions, online booking forms, responsive design, and lab location details for enhanced patient accessibility.

New Priyatama Furnitures is a handcrafted e-commerce site with product customization, built-in CRM, contact forms, and a responsive modern design. I developed both the website and the CRM to streamline customer interactions and order management.

Projects (continued)

- **Ingreva** is an organic food delivery platform offering curated monthly packages—such as Green Basket, Dairy Fusion, and Plant Essence. The website features secure payment options, design, and a user-friendly interface for seamless subscription-based ordering.

- **Threads of Grace** is a faith-inspired lifestyle and apparel boutique offering thoughtfully designed products—from journals and home décor to fashion accessories and candles. The platform blends elegance with spiritual meaning, delivering a graceful shopping experience through clean design, intuitive navigation, and a strong message of purpose and inspiration.

- **Commerce with Suman Sir** is an online coaching platform specializing in commerce education for students in grades 11 and 12. Led by Suman Sir—an experienced and highly rated educator—the platform offers structured video lessons, revision sessions, and exam preparation covering core commerce subjects like Accountancy, Economics, and Business Studies. Known for clear concept delivery and engaging teaching style, it enhances academic understanding and boosts performance through well-designed curriculum, easy-to-follow navigation, and a supportive student community.

- **KP Sir Maths (Maths Point by Pankaj Sir)** is a dedicated online coaching platform specializing in mathematics education for CBSE and competitive exams. Run by experienced educator Pankaj Sir, it offers structured offline and online batches, comprehensive chapter-wise classes, revision modules, and NCERT-aligned resources. With a focus on clarity and practical understanding, the platform enhances students' problem-solving skills through a well-crafted curriculum, interactive sessions, and affordable monthly fee plans.

- **Sebabrata Nursing Home** is a well-established multi-specialty hospital located in Agartala, Tripura. With over 25 years of experience, it offers 24/7 ambulance services within the city and houses highly experienced doctors and lab technicians. The facility is equipped with advanced diagnostic and treatment technologies, covering a wide range of departments including urology, orthopedics, gastroenterology, gynecology, ophthalmology, general medicine, and general surgery. Their mission emphasizes prompt diagnosis, continuous service improvement driven by patient feedback, and delivering state-of-the-art healthcare accessible to all patients.

- **Gift Ninja** presents a clean and functional template designed to quickly launch an online presence. It features a minimalistic layout with straightforward navigation—ideal for showcasing services, announcements, or contact information. The homepage includes sections for a welcome message, key offerings, and an about segment, all set against a simple, modern aesthetic. While currently a starter placeholder, the site offers essential elements such as responsive design, SSL protection, and basic contact forms, providing a solid foundation for further customization and content development.

- **FFishy** is a seafood-focused eatery based in Kalikapur, Kolkata. Known for its crispy fish fry, signature Gondhoraj Bhetki momos, fish rolls, and addictive chicken popcorn, it caters to lovers of both freshwater and saltwater seafood varieties like Bhetki, Ilish, Amodi, Lotte, Pomfret, and Crab . With casual dine-in, takeaway, and delivery options, the restaurant prioritizes freshness, bold flavors, and innovation in each bite, accompanied by regular offers like discounts and scratch cards.
